Disclosure

The annuity is issued by Genworth Life Insurance Company (Genworth Life), a life insurance company. Genworth Life and the financial institution at which this annuity was purchased are **not** affiliated. All guarantees are based on the claims-paying ability of Genworth Life.

The annuity is not a bank product and is not FDIC insured. All non-deposit products involve investment risks including the possible loss of the principal amount invested. The annuity is not a deposit with or obligation of any financial institution, is not guaranteed or endorsed by any financial institution or its affiliates, and is not insured by the FDIC, the Federal Reserve Board or any other government agency. Principal and interest are guaranteed only by Genworth Life.

The annuity is a long-term investment. The annuity does not mature like a bond or certificate of deposit and may be subject to early surrender charges (refer to the Withdrawal section of the contract).

Annuity interest rates

The initial interest rate on the annuity will be the rate established by Genworth Life and in effect on the date the premium is received. The initial interest rate is guaranteed for a period of time that you select – one, three, or five years. Availability may vary by state. It may include an additional interest rate credit. Following the initial interest rate guarantee period, the renewal rate is set annually and is guaranteed for one year. The initial interest rate on a new contract may be higher than renewal rates. Renewal rates will not be less than the minimum guaranteed interest rate guaranteed by Genworth Life as specified in the contract. The one, Three, and five-year initial rate guarantee term products will also have a bailout provision. Following the initial interest rate guarantee period, if the renewal rate for a particular year is less than the bailout rate, surrender charges will not apply to amounts withdrawn during the bailout withdrawal window for that year. The bailout rate and the bailout withdrawal window are specified in the contract.

Access to funds each contract year

- You may choose to receive up to 10% of the contract value free of surrender charges; access these funds at anytime up to 12 times a contract year, OR
- You may choose to systematically take your credited interest or up to 10% of the contract value.

Withdrawals may be subject to a surrender charge

If the contract is cancelled during the first six years, or if a withdrawal is made in excess of the penalty-free amount, a surrender charge will apply. The surrender charge schedule is based upon contract year. Refer to the Withdrawal section of the contract for additional information. There are no additional fees. For tax information, see below.
